2024 Newsletter

The FMC Sportsman's Club Board welcomes everyone to the 2024 Season! We are proud to provide such a great club and amazing facilities for our members, now exceeding over 1000 families!

Just a reminder that you will not be receiving the newsletter in the mail (USPS). You also need to make sure you familiarize yourself with all the rules and regulations. Please pay your 2024 Membership Renewal and Assessment Fee as soon as possible, to secure funding for this upcoming season! We require a valid email address per Member of Record. All Club correspondence will be posted on the Facebook or email, as we no longer use the postal mail service for regular communication. It is the responsibility of the member to be familiar with all Club rules and regulations, which are posted on the website.

For current information

We regularly update our Facebook group "FMC Sportsman's Club Members." If you have any questions or concerns, please do not post publicly but instead contact a Board Member or Committee Chairperson listed on our website www.fmclub.org or at the end of this letter. This method of communication allows a prompt/correct response. Please contact Jim Kessler to receive Club updates via text.

2024 Membership Renewal and Assessment Fee & Other Fees

It has been a busy year, but we have accomplished so much. Our desire is to repair and/or update our facilities as needed and we have made great progress. Following is a partial list of projects we have completed this year mostly from the assessment:

- Additional Temporary and Long-Term Camping spaces will be ready for the camping season.
- Internet access for the entire club area.
- Access to the Dock for people with disabilities.
- Installation of storm drainage system in main parking lot.
- Additional parking spaces in the pool area.
- Replacement of worn out and outdated mowing equipment.
- Aerators for all the lakes.
- There are more but they do not come to mind right now.

We have other projects that need to be completed, such as the Gates, Fencing, Restroom Facilities in the Lake/Temporary Camping Area, additional Playground Equipment, more Drainage Repairs, etc.

Considering the projects that need to be completed and the expected rise in the cost of electricity, pool supplies, and everything else, the board has been forced to raise the assessment another \$25.

For 2024 the Dues will be \$250, and the Assessment will be \$150 which will be a total of \$400. The Retiree Assessment will be \$150. Long-Term camping will be \$350. This is a great deal considering what you receive as a member.

Payments must be paid at www.fmcclub.org via online payment using debit or credit cards. To make alternate arrangements, please contact Treasurer Jim Pringle.

Our website can also be used to purchase any services or goods available at the Club. This includes but is not limited to fees for washing campers or ATVs, site rentals, fishing fee, storage fee, guest fee and purchases of firewood, concrete blocks, or gravel.

2024 Membership Cards

Renewing members will not receive new membership cards in 2024. Your current card is valid if your fees are current. Your card contains a 5-digit membership number (##-####) with an additional number identifying individual family members. When on Club grounds, please either have your card with you or know your membership number. Having a photo ID with our membership records helps to ensure the safety of all members. You will need your card to open the new gates once they are operational.
