2021 Newsletter

The Board of FMC Sportsman's Club welcomes everyone to the 2021 season! This year has continued uncertainty due to the COVID-19 Pandemic. Our thoughts and prayers go out to everyone affected.

FMC Sportsman's Club membership consists of over 1,000 families. We are proud to provide such a great Club and facilities for our members. Please pay the 2021 Membership Renewal and Assessment Fee as soon as possible, to secure funding for this season! We also request a valid email address per Member of Record. All Club correspondence will be posted on the website and/or via email, as we no longer use the mail service for regular communication.

For current information

Please refer to our website www.fmclub.org for updated information. We update our website and Facebook Page "FMC Sportsman's Club" regularly. Please friend "FMC Archery" on Facebook for information about the Ranges. If you have any complaints or concerns, please do not post publicly but instead contact a Board Member or Committee Chairperson. This method of communication allows a prompt response. Contact information is available on the website as well as in this letter.

2021 Membership Renewal and Assessment Fee & Other Fees

We were able to fund all ongoing improvement projects without increasing the 2021 Membership Renewal and Assessment Fee! It will remain the same as last year, with a Membership Renewal Fee of \$250 plus a \$100 assessment fee, totaling \$350. Payments must be paid at www.fmclub.org via online payment using debit or credit cards. To make alternate arrangements, please contact Treasurer Jim Pringle.

Our website can also be used to purchase any services or goods available at the Club. This includes, but is not limited to: fees for washing campers or ATVs, site rentals, fishing fee, storage fee, guest fee and purchases of firewood, concrete blocks or gravel.

2021 Membership Cards

Renewing members will not receive new membership cards in 2021. Your current card is valid as long as your fees are current. Your card contains a 5-digit membership number (##-###) with an additional number identifying individual family members. If you lose your card or need a replacement there will be a small fee. Membership status can be verified with just your name or number. When on Club grounds, please either have your card with you or know your membership number. Having a photo ID with our membership records helps to ensure the safety of all members. If you do not already have a card with a barcode, you will need to get one this year to access our gates. We will be installing barcode readers to access the club grounds, rifle range and skeet range.

New 2021 Membership

2021's New Member sign up will be Saturday, May 1, 2021 from 10 a.m. to 2 p.m. or Sunday, May 2 from 12 p.m. to 5 p.m. A card can be made for a family member not present using a clear photo of that person. All New Membership Applicants must be sponsored by a current member of Record with their 5-digit membership number on the application. The application is available on the Club website. Upon submission, applicants will be placed on the New Membership Waiting List.

Grounds

We are continuing to prepare for our upcoming busy season. Any restrictions will be contingent on the local government orders and guidelines. The use of the grounds are still available for members. We are requiring everyone to follow safety guidelines while on the property, specifically maintaining social distancing and using good personal hygiene (washing hands frequently). Members are encouraged to enjoy activities such as fishing, walking, hiking or riding. Social distancing is also requested at the Ranges.

Pool

As of now, the pool will open as scheduled. The Health Department currently restricts pool attendance to Members only and does not permit guests. Once guests are permitted, each Member of Record will be allowed a total of 10 Pool Guest Passes per year, along with paying the required guest fees.

Ongoing Improvement Projects

We are continuing several improvements to our grounds. One major project was Brood Lake, which we are working to deepen to improve fish habitat. Renovations continue in the pool area to accommodate more seating around the Baby Pool. We are also expanding our parking area. We are making additional changes for stronger security.

Volunteers

FMC Sportsman's Club is always looking for volunteers! If you are interested in volunteering in a specific area, please contact that committee chairperson.

We are looking forward to another successful year at FMC Sportsman's Club!

Gary Lacy

President of FMC Board of Directors

The 2021 Membership Renewal and Assessment Fee is due before May 1, 2021!

2021 Board of Directors
