2022 Newsletter

The Board of FMC Sportsman's Club welcomes everyone to the 2022 Season! This year has continued uncertainty due to the COVID-19 Pandemic. Our thoughts and prayers go out to everyone affected.

FMC Sportsman's Club membership consists of over 1,000 families! We are proud to provide such a great club and facilities for our Members! Please pay your 2022 Membership Renewal and Assessment Fee as soon as possible, to secure funding for this upcoming season! We also require a valid email address per Member of Record. All Club correspondence will be posted on the website and/or via email, as we no longer use the mail service for regular communication. It is the responsibility of the Member to be familiar with all Club Rules and Regulations, which are posted on the website.

For current information

Please refer to our website www.fmclub.org for updated information. We update our website and Facebook Page "FMC Club Pool" regularly. Please friend "FMC Archery" on Facebook for information about the Ranges. Please contact a Board Member or a Committee Chairperson with any concerns or questions, rather than publicly posting, to allow for a prompt response. This method of communication allows a prompt response. Contact information is available on the website as well as at the end of this letter.

2022 Membership Renewal and Assessment Fee & Other Fees

We were able to fund all ongoing improvement projects without increasing the 2022 Membership Fee (\$250), but the Assessment Fee will increase to \$125, totaling \$375. There will no longer be an additional processing fee for a debit or credit cards. Payments must be paid at www.fmclub.org via online payment using debit or credit cards. To make alternate arrangements, please contact Treasurer Jim Pringle.

Our website can also be used to purchase any services or goods available at the Club. This includes but is not limited to: fees for washing campers or ATVs, site rentals, fishing fee, storage fee, guest fees and purchases of firewood, concrete blocks or gravel.

2022 Membership Cards

Renewing Members will not receive new membership cards in 2022. Your current card is valid as long as your fees are paid and current. Your card contains a 5-digit membership number (##-####) with an additional number identifying individual family members. If you lose your card or need a new one, we will be able to verify your membership status with just your name or number. You may receive a new card for an additional fee. When on Club grounds, please either have your card with you or know your membership number. Eventually, a card or cell phone photo of your card will be needed to open and close the gates. Starting this year the gates will be operated by the 4 digit Gate Code printed on your ID card. Having a photo ID with our membership records helps to ensure the safety of all members.

New Memberships for 2022

New Member Sign Up for 2022 will be Saturday, May 7, 2022 from 10 a.m. to 2 p.m. or Sunday, May 8 from 12 p.m. to 5 p.m. A card can be made for a family member not present using a clear photo of that person. (clear cell phone images will work) All New Membership Applicants must be sponsored by a current member of Record with their 5-digit membership number on the application. The application is available on the Club website and will be printed on-site for New Membership Weekend.

Grounds

We are continuing to prepare for our upcoming season! Any Covid restrictions will be contingent on local government orders and guidelines. The grounds are still accessible for Members. We are requiring everyone to follow safety guidelines while on the property, specifically maintaining social distancing and using good personal hygiene (washing hands frequently). Members are encouraged to enjoy activities such as fishing, walking, hiking or riding. Social distancing is also requested at the Ranges.

Pool

As of now, the pool will open as scheduled. Guests are permitted. Each Member of Record will be allowed a total of 10 Pool Guest Passes per year, along with paying the \$5 guest fee.

Ongoing Improvement Projects

We are continuing several improvements to our grounds. One major completed upgrade was to the Lake Dams. We are also expanding our parking areas. We are making additional changes for stronger security with new gates being installed. You will need your membership card to access the new gates (barcode). These are necessary to have better security on the Club property.

Volunteers

FMC Sportsman's Club is always looking for volunteers! If you are interested in volunteering in a specific area, please contact that committee chairperson.

We are looking forward to another successful year at FMC Sportsman's Club!

Gary Lacy

FMC Board of Directors, President

The 2022 Membership Renewal and Assessment Fee is due before May 1, 2022!
